

LIMITED EDITION: BUDWEISER RESERVE COLLECTION COPPER LAGER AGED ON JIM BEAM BOURBON BARREL STAVES

Budweiser Reserve Collection Copper Lager Aged on Jim Beam Bourbon Barrel Staves is a first-of-its-kind collaboration brew between two of America's most iconic brands: Budweiser and Jim Beam. Budweiser Copper Lager is a new beer brewed to celebrate the 85th anniversary of the Repeal of Prohibition on December 5, 1933. At higher 6.2% ABV and Premium Plus Price Point, it is the perfect limited-edition beer for celebrations throughout the fall and holiday season. Brewed on Jim Beam Bourbon barrel staves, it has a toasted Oak aroma, a deliciously nutty taste with Caramel Rye and Vanilla notes, and a smooth finish.
